CERTIFICATE OF FORMATION FOR JAVA LAW GROUP LLC

Pursuant to the legal entity standards of the Commonwealth of Redmont, the undersigned hereby executes this Certificate of Formation to formalize the business structure:

1. NAME AND PURPOSE

- **Name:** The name of the limited liability company is **Java Law Group LLC** (officially registered and recognized in-game as **Java Law Group**).
- **Purpose:** To provide legal representation, litigation services, administrative dispute handling, regulatory compliance auditing, corporate drafting, and commercial legal consultations within the Commonwealth of Redmont.
- **Registered Agent:** `daturkeyjava` (Discord: `@daturkeyjava`).

2. MANAGEMENT AND OWNERSHIP

- **Management Type:** Member-Managed solely by the Managing Member.
- **Structure Type:** Single-Member interest-based LLC where ownership is measured by a 100% quantifiable percentage.
- **Ownership Split:** 100% of membership interests, voting rights, and structural control are held entirely by the Sole Owner, `daturkeyjava`.
- **Corporate Separation:** The Company exists as an independent legal entity. The personal wallet, assets, and bank balance of `daturkeyjava` are legally separate from the balances, accounts, and legal obligations of the Company.
- **Independent Contractors & Associates:** The firm may utilize independent contractors, associate attorneys, or paralegals for legal operations. These contractors hold 0% interest, possess no voting rights, and carry no internal ownership liability for the firm.
- **Transferability of Interests:** Non-transferable without the explicit written consent of the Sole Owner.

3. CAPITAL CONTRIBUTIONS & LIABILITY LIMITS

- **Initial Capital:** The initial capital contribution consists of $80 provided entirely by `daturkeyjava`, deposited into the in-game company balance initialized through the `/db deposit` command.
- **Limitation of Owner Liability:** The personal financial liability of `daturkeyjava` for any firm debt, client dispute claims, or civil liabilities against the LLC shall be strictly limited to the capital explicitly contributed and held within the Company's balance sheet.
- **Additional Capital:** No additional capital contributions are required from the Sole Owner. Failure to provide additional personal funding to cover corporate shortfalls will result in the firm operating strictly within its existing balances without personal recourse or liability falling onto `daturkeyjava`.

4. PROFIT AND LOSS DISTRIBUTION

- **Distribution of Profits & Revenues:** Because this is a Single-Member interest-based LLC, 100% of all net company profits, legal retainer fees, and tax losses shall be allocated and distributed solely to the owner, `daturkeyjava`.
- **Retention of Financial Liabilities:** 100% of all corporate debts, office maintenance costs, legal asset losses, and client reimbursement claims are retained strictly and solely by Java Law Group LLC as an independent corporate body. No corporate liabilities shall pass through to, or be collected from, the personal bank account or assets of `daturkeyjava`.

5. PROFESSIONAL SERVICES & INSOLVENCY PROTOCOL

- **Limited Claims Framework:** Any civil compensation or fee refunds owed to clients shall be paid out exclusively from available corporate funds held in the LLC's in-game account, capped at the company's available liquid balance.
- **Insolvent Protocol:** If valid financial claims or general corporate debts exceed total available corporate cash, the LLC shall freeze payouts and file for bankruptcy under Redmont law. Clients and creditors explicitly waive all rights to pursue `daturkeyjava` in civil court for personal damages or file criminal complaints for white-collar fraud due to business insolvency.

6. AMENDMENTS

- **Provisions:** Amendments to this Certificate of Formation or the company structure may be made at any time by a 100% unanimous vote of the membership interest. Because the Sole Owner holds 100% of the interest, amendments are enacted solely at the discretion of `daturkeyjava`, satisfying the legal majority threshold.

7. BYLAWS

- **Governance:** The internal operations of the LLC shall be governed by company bylaws established by the Sole Owner. In the event of a conflict between the company bylaws and this Certificate of Formation, this Certificate of Formation and the laws of the Commonwealth of Redmont shall take legal precedence.

8. DISSOLUTION

- **Winding Up:** The LLC may be dissolved at any time by the explicit decision of the Sole Owner. Upon dissolution, winding up shall follow statutory legal standards: all contractor or associate attorney agreements will be terminated, all outstanding company debts or valid client fee claims will be paid out strictly from the remaining company balance, and any remaining liquidated assets or balances after all corporate debts are entirely settled will return to `daturkeyjava`.

Signed,

`daturkeyjava`, *Managing Member on behalf of Java Law Group LLC*
