

A VERDICT

In The Court of DemocracyCraft

The Court of DemocracyCraft

Superpacman04,) Case No.: No. DC-05-2020-2
)
Plaintiff,) COMPLAINT FOR
) IMMEDIATE INJUNCTION
vs.)
)
The Government of DemocracyCraft,)
)
Defendant)

I. THE ARGUMENT PRESENTED

- a. The Plaintiff, Superpacman04, brought to the court's attention the Executive Order (EO) titled 02/2020. The Plaintiff claimed that the EO overstepped the power that the Constitution has vested in the president, and that the Congress has total power over the creation of laws¹

- i. See the Constitution of DemocracyCraft, "The Congress is responsible for debating, creating, removing, and amending all server laws."

- b. The Plaintiff also brought to the court's attention that the Constitution does not offer any evidence that an EO carries any legal value.

II. THE DEFENDANT'S TESTIMONY

- a. The Defendant, the Government of DemocracyCraft, testified that the Constitution lays out the power of the Executive Branch to issue EOs, which carry the full force of a law, albeit being directives.
- b. The Defendant also testifies that if not closed in the Government's favor, it will cause a constitutional crisis where EOs will be nullified and the Checks and Balances would fall out of Balance.

III. THE COURT'S VERDICT

- a. The Court of DemocracyCraft has hereby decided to Adjourn this case in favor of the Defendant, with a recommendation to the speaker to more clearly define EOs in a constitutional revision

IV. THE COURT'S REASONING

- a. The Court has made this decision based on the fact that:
 - i. Executive Orders carry the full force of a law to ensure a system of checks and balances
 - ii. The Court may overturn any law or EO if they find it to be interpreted unconstitutionally, and this did not happen.

- iii. A Constitutional Crisis would occur in which the Checks and Balances would not be equal, for the Executive would not have the power to legislate
 - 1. The court prays that the speaker motions for the Congress to amend the constitution to include the other governmental branches' power to legislate
- iv. The EO does not make any significant change to the way the government functions, it outlines a procedure to allow the public to view all edits to proposed bills.
 - 1. This increases government transparency, which is of key importance in any democratic government.
