Your Honour,

Plaintiff acknowledges the defendants answer. Interrogatory is asking who took the picture of P-003 and P-004.

Defendant has given us Lt. SonOfaLancers name that submitted these. They have not stated if he took the picture of P-003 and P-004.

We would like defendant to state if Lieutenant SonOfaLancer is the photographer of P-003 and P-004. If not we would like the name of the photographer as requested from the court.

Respectfully submitted,

Reading the score

Human: below 15%. Mixed: 15-29%. Likely AI: 30% or higher.
Scores of 75% and above display as 100%, as on screen.

Reading the highlights

Highlights mark passages flagged by the model. Darker tints indicate higher sentence scores when available. Sentence scores are separate from the document score.

AI detection is an estimate, not proof of authorship. False positives and negatives are possible. Consider drafts, context and writing history; do not use this report alone to penalize a writer.
