

# The official LBI ownership agreement.

- Bigpappa140 84%
- Justadumpling 15%
- Lcn 1%

Not everything done by management requires a vote. Members with 20% and above receive full voting privileges and anyone under that is used for opinionation. The board can be called for opinions and own their stake in the company.

The Board has full permission to sell or buy more shares from other owners. The majority owner has the overall say in voting, involving vetos and contracting.

By being on the board you automatically agree to these terms.
