Motion 11: 5 to 1 Stock reversal on Class B shares

APPROVED | Treasury | Chairman Vote

May 27, 2026

Wayne_Kerr12 OP 2026-05-27 5:46 AM

Taking the effective 50,000 shares down to 10,000

Reason for doing: Its simple, it makes is more attractive if we were to ever list on TSE.
