Your Honour,

The Plaintiff is looking to compel the Defendant to answer Amended Interrogatory No. 5.

Amended Interrogatory No. 5 asks:

"Who took picture P-003 and P-004?"

The defendant stated that they will not give us that information. As shown above, the Court ruled that both objections to amended interrogatory no. 5 were overruled and the photographer is relevant under rule 4.9.

We have already placed the photographer on our witness list as a description since the defendant will not provide us with their name.

We are running out of time for discovery and need to know who this person is so we can determine if we want to use them as a witness. If we decide to use them, we can place their name on our Rule 4.9 list.

We are not asking for any information about this person. Only their identity as asked in the Interrogatory that the court found relevant.

Therefore we ask the court to compel the defendant to give us the identity of the player that took the pictures P-003 and P-004 before discovery ends.

Respectfully submitted,
