SGTRequested Warrant Type: Arrest Warrant

Subject of Warrant: Vernicia

Location: Any property owned by Vernicia

Basis for Request: On 23/06/2026 a wanted point was created on the subject, for x129 Unauthorised Firearms Possession. This carries an unpaid fine of \$15480 and 1290 minutes jailtime, and was filed more than 2 months ago.

Vernicia still comes online regularly, but always stays either in the wild or on private property, making it so that we can't arrest her even in 2 months time.

The DHS seeks to arrest Vernicia with the assistance of staff.

Before approving this, I'd like the DHS to show the court the following:

1. The fine history of Vernicia, to make sure that they haven't already paid the fine for this offense

2. The amount of jail time Vernicia served for the offense prior to this, seeing as it was removed and re-added.

1. Seems to be different charges, so hasn't been paid.
2. Hasn't been jailed since the creation of the wanted point. (message above is from the new plugin)

What are those other firearms possession charges, then? Do they not belong to a charge that was changed later in a settlement? Please provide the criminal records so that the court can connect them. I do not wish to see an individual unfairly fined.

Your Honor, there seems to be some confusion about everything about this situation in the department. We request some time to figure it out. I'll respond to this thread when we know what we know and I'll then send the necessary information here.
Thank you

Until this is figured out as required for this warrant, I hereby place an Emergency Injunction on the arrest of Vernicia to avoid the possibility of harm occurring to them of being punished in a manner not in line with the law.

So Ordered

After looking through the criminal records and the fines, here's what I concluded:

All of the fines have been paid off, as seen by the checkmark emoji in our #fines channel. (Attached below)
The x458 charge was reduced to x129 this lawsuit: [\[2026\] FCR 53](#)
Jail time still stands, what I mentioned in the earlier messages in this thread still stands.

I request this warrant to be approved, which is just for the jail time, not the fines.

Furthermore, might the DHS provide a list of all properties owned by the subject? The Court isn't allowed to grant a sweeping warrant to access "all properties owned."

RETURN TO WARRANT

Your Honor, Lance Iris-Holmes, being sworn, says he arrested Vernicia with the assistance of staff.

Vernicia was arrested at plot C995. I told her repeatedly to open a DHS ticket to review a copy of the warrant, but no ticket was opened.

I'd like to clarify this return was so late since I was never online at the time the subject was online too.

The DHS thanks the Court for their (very much) time.

Spoller: Subject at C995

Warrants do not expire unless a specific expiration date is given. The warrant was still valid.
