geobeeuser 8/10/2026, 12:52:39 PM

I have no idea about this, Hopefully they know

ase.ga 8/10/2026, 1:23:26 PM

Not to try and strong arm you guys but it has been a little bit of time so I will begin to explore my options for litigation. I would like to avoid this as much as I can so if you guys can please approve the corps that would be greatly appreciated!

ase.ga 8/10/2026, 3:11:52 PM

<@747257213495672882> if the corps are delayed until the end of the day I will be forced to move forward with my litigation

Can't you process them seeing as you're the only one responding? You are apart of the DOC

geobeeuser 8/10/2026, 5:42:18 PM

Well idk any of the context and considering the DOJ is somehow involved, I dont want to do something without knowing whats going on

ase.ga 8/10/2026, 5:43:10 PM

The DOJ was only involved to clear things up regarding what's actually required by the LEA which you can see in the transcripts I attached in the beginning of this channel. They agreed with me and gave the all food to approve the corps

geobeeuser 8/10/2026, 5:47:02 PM

I still dont want to take action without someone above me saying its fine, which is why Im pingging them

ase.ga 8/10/2026, 8:13:29 PM

Just read part iv of Lea

ase.ga 8/10/2026, 8:13:39 PM

The corp registration says exactly what is requested

ase.ga 8/10/2026, 8:13:45 PM

If anyone actually read it

fickogames 8/11/2026, 12:58:46 AM

I have no knowledge of what the situation is either ͇_(ツ)_͇

fickogames 8/11/2026, 1:03:12 AM

I read trough the document and it seems many vital parts are missing per DOC regulation,

I will point out the DOC regulation is for your own sake, as the document you have put cannot be changed or altered legaly, it cannot be dissolved, nor is there any legal liability protection.

ase.ga 8/11/2026, 9:19:37 AM

Yeah I know DOC regulation isn't law that was the whole point of the transcripts I attached so I don't have to follow it I only have to follow the LEA which I did

ase.ga 8/11/2026, 6:43:31 PM

Guys please can someone process this I haven't been able to do business yet

ase.ga 8/13/2026, 12:02:41 PM

Anyone please?
